

## Construction Industry Round Table

## Legislative News - **UPDATE**

*A force for positive change in the design/ construction industry*

### **01/12/2017 – Regulatory Reform Bill Passes in House**

The House passed the *Regulatory Accountability Act* (RAA), H.R. 5, by a bipartisan vote of 238-183. The bill will now be sent over to the U.S. Senate for consideration and hopefully a vote. CIRT has joined a coalition letter urging the Senate to pass the bill (or a similar version). [[For details, see the letter here](#)].
